GOOD FAITH AND CANDOR LETTER
REGARDING PATENT TERM ADJUSTMENT

The Applicant respectfully notes that the patent term adjustment calculation appears to award an excessive term adjustment to the Applicant.

The Applicant believes the correct patent term adjustment calculation is 664 days based on:

- +673 days for the time between 14 months from filing and the first Office Action;
- -5 days for the Applicant's response to the January 25, 2007 Office Action; and
- -4 days for the Notice of Appeal filed in response to the July 19, 2007 Office Action.

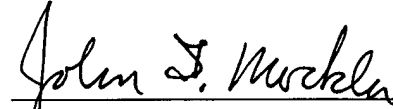

The Applicant respectfully requests correction of the patent term adjustment calculation, as well as an opportunity to review any new patent term adjustment calculation.

The Commissioner is hereby authorized to charge any fees connected with this communication or credit any overpayment to Deposit Account No. 50-0208.

Respectfully submitted,

MUNCK BUTRUS CARTER, P.C.

Date: 31 March 2008
